

A word cloud visualization with the following words and approximate sizes:

- cue** (large, purple)
- low** (large, pink)
- invalid** (large, black)
- hit** (medium, purple)
- response** (medium, black)
- switch** (medium, black)
- successful** (medium, purple)
- control** (medium, black)
- stop** (medium, black)
- confidence** (medium, purple)
- famous** (medium, purple)
- color** (medium, purple)
- no** (small, purple)
- match** (small, black)
- scrambled** (small, purple)
- dual** (small, black)
- vertical** (small, black)
- operand** (small, black)
- positive** (small, purple)
- first** (small, black)
- faces** (small, black)
- blankscreen** (small, black)
- symbolic** (small, black)
- incorrect** (small, pink)
- non** (small, black)
- probabilistic** (small, purple)
- ctrl** (small, black)
- suppress** (small, black)
- checkerboard** (small, black)
- probe** (small, black)
- fixed** (small, black)
- task** (small, black)
- negative** (small, black)
- zback** (small, black)
