

A word cloud visualization featuring various terms related to language and cognition. The words are arranged in a horizontal, overlapping manner. The most prominent words, shown in a larger, bold, olive-green font, are "successful" and "stop". Other words in a smaller, standard olive-green font include "auditory processing", "auditory sentences", "auditory calculation", "auditory right motor", "auditory left motor", "speech", "story", "80% duration", "100% duration", "korean", "french", "math", "audio", "audio calculation", "stop right", "stop left", "c01", and "language". The background is plain white.

stop right audio korean stop left
c01 language audio calculation french
auditory right motor story auditory sentences 80% duration speech
successful stop
auditory processing auditory calculation
auditory sentences 100% duration auditory sentences
