

A word cloud visualization where the size of each word corresponds to its frequency or importance. The words are arranged in a horizontal, overlapping manner. The colors of the words are categorized: dark purple for the largest words, medium purple for smaller words, and magenta for the smallest words. The largest words are 'look', 'neutral', 'anticipated', 'successful', 'stop', 'visual', and 'oddball'. Other prominent words include 'first operand', 'symbolic', 'addition', 'subtraction', 'no response', 'control', 'junk rating', 'cue', 'left hand', 'english', 'spanish', 'abstract', 'repeat', 'balloon', 'explode', 'first operand', 'non symbolic', 'addition', 'deterministic', 'suppress negative', 'tool', 'words', and 'tone counting probe'.

look neutral anticipated
first operand symbolic addition tone counting probe
words no response control junk rating first operand symbolic subtraction
successful stop cue
visual oddball left hand
english spanish abstract repeat
balloon explode
first operand non symbolic addition
deterministic
suppress negative tool
